Dear Sirs,

This morning Saturday 5th April went to the doctors meeting Essential New Premises Location number 2024/1079 our doctors are attending the TDC, meeting Tuesday 8/4/25. I doubt whether you will get this by then. But it is so important that Hingfield get these new plans for a bigger & better surgery. We now have two brilliant doctors who have about 11,000 patients as our surgery covers a wide area; with more houses & flats going up they need help for extra doctors & nurses with a new bigger surgery with the different facilities it will make Hingfield a better place to live. I have lived in Hingfield for over sixty years & seen a lot of changes now it's difficult to get a appointment so please help our doctors to help make Hingfield even a better place to live. Also I would like to take this opportunity to say thankyou for all what you do for me as you help me to keep your premises nice I have lived in my council house since they were built after I lost my dear husband you have helped me with repairs Thank you.

Kind Regards

(Mrs)
